HI THERE

Welcome To The

GROVE CITY PENNSYLVANIA

JOINT CONSOLIDATED HIGH SCHOOL

1957

Pine Knot

IN MEMORIAM

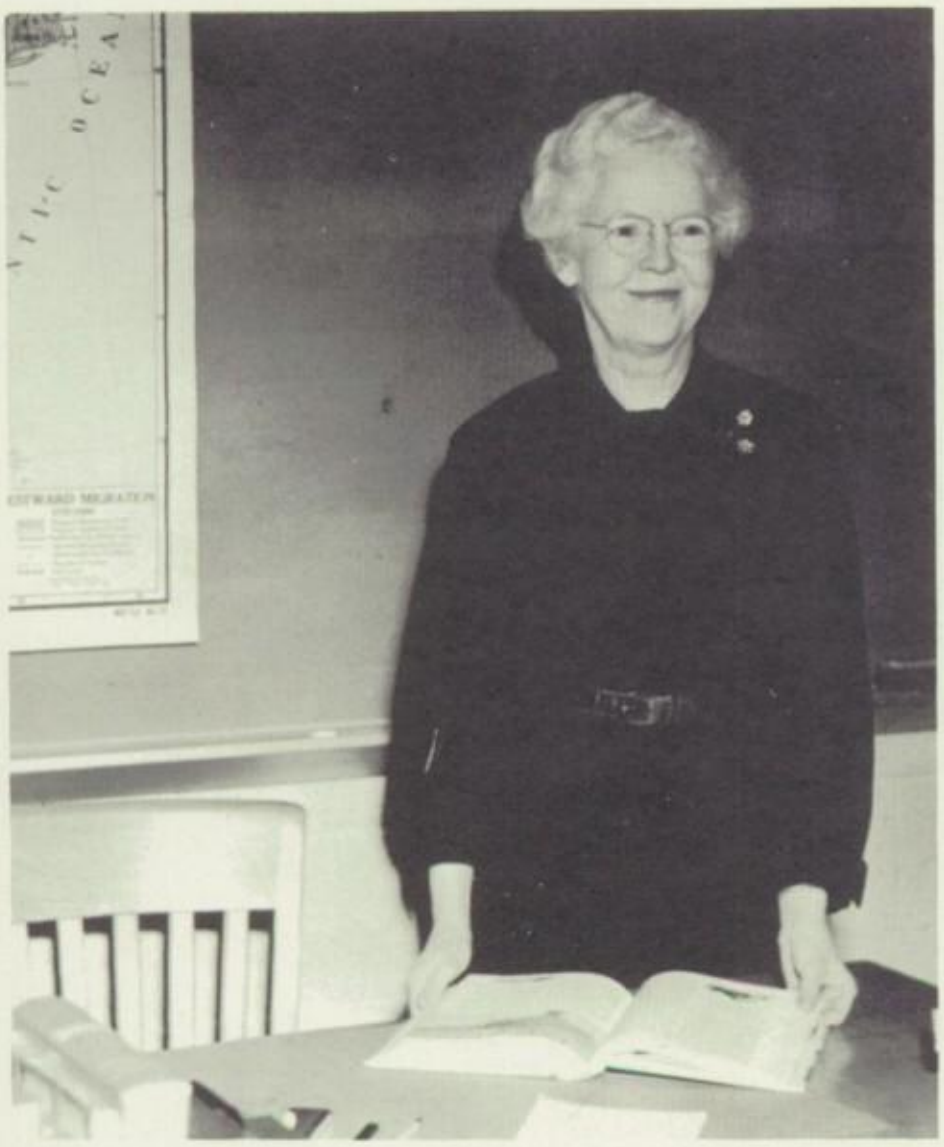
One of the most sorrowful moments in Grove City High School was felt by the students when news reached us of the death of our Principal, Mr. Harland J. Surrena.

Mr. Surrena was a graduate of Grove City High School and a member of the football and track squads. After obtaining his Bachelor's Degree from Grove City College, and his M. Ed. from the University of Pittsburgh, Mr. Surrena taught Physics for eighteen years in Grove City High School before he took the position of principal which he successfully filled for nine years.

Students and faculty members alike admired his keen intelligence in his field and appreciated the many things which he did for the school.

On behalf of everyone at G. C. H. S., the Pine Knot Staff wishes to extend our deepest sympathy to Mr. Surrena's family and friends and to express admiration for a man they knew and loved.

DEDICATION



MISS MARY BARBER

With great pride we are honoring Miss Mary Barber in the Pine Knot of 1957. Besides teaching American History in her home room 207, Miss Barber is the adviser to Future Teachers of America, Hall Duty, and the Junior Senior Prom. She is always willing to help the students with their problems and will be long remembered by the student body.

MRS. MABEL CALDWELL

The Pine Knot Staff takes great pride in honoring Mrs. Mabel Caldwell in the 1957 year book. Mrs. Caldwell served as secretary to the late Mr. Surrena and at present is secretary to the acting principal, Mr. Forker. Mrs. Caldwell's personality creates a cheerful atmosphere in the school office where she is always willing to help both students and faculty.

FOREWORD

The Pine Knot Staff of 1957 have selected as our theme "Blueprint for the Future." This to us means the carrying forward of our education from the first days in school to graduation. The class of 1957 has the distinction of being the first class to have completed three years of senior high school in our new building. Even though the physical surroundings have changed, the faculty and curricula have remained basically the same. We trust that the "Blueprint for the Future" of the schools in Grove City will continue to have as its goal the development of healthy minds and attitudes.

We are presenting you with the largest year book that this school has ever produced. It is our desire that in future years this book may bring forth many happy memories.

BLUEPRINT TO THE FUTURE

The 1956 season opened with the Eagles dropping their first game to Beaver and their second game to Warren St. Mary's. Gaining momentum, the Eagles won their next three games. They then encountered greater opposition and lost the last four games.

Even though we didn't make too good a showing in Varsity this year, we are all looking forward to a better season next year.
